Dear Sheriff Arnold:

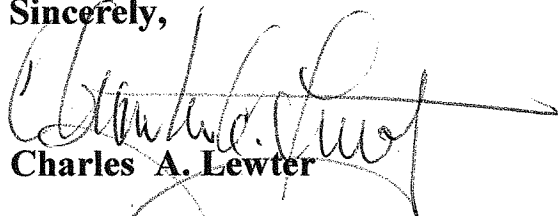

I am an alumnus of the Citizen Academy. On Friday night I took advantage of the once per year ride-along with Deputy McFerrin. Once again I was assured we citizens are well protected and getting our money's worth from our tax dollars.

I experienced roll call, neighborhood and business patrolling, traffic crashes involving alcohol ---including THP, fire department and EMS, a neighborhood call involving juveniles, and location of a hit and run vehicle and driver.

During our 10 minute engine-off time, Deputy McFerrin explained and demonstrated the extensive high-tech reporting with detail forms and graphic capabilities. He also invited me to eat breakfast with him and other deputies including a K-unit.

My best to the Department's personnel and 24/7 efforts.

Sincerely,

Lieutenant,

Good morning. I just wanted to let you know that two of your guys did a great job yesterday.

At approximately 1415 hrs. Deputy Lewis had a wanted subject run from him in the area of Northfield and Memorial. Several units converged on the scene, but were unable to locate the subject. Transport Deputies Melton and Speck responded to the area and assisted with establishing a perimeter. Melton and Speck received information from a citizen that a subject matching the description of the wanted person was in his back yard. Speck and Melton confronted the subject, identified him as the wanted person and took him into custody.

Of course I was happy that the deputies apprehended the suspect, but I was most impressed that the transport deputies had the maturity to monitor activity outside of their normal responsibilities and that they made themselves available to a deputy in need of assistance.

Deputies Melton and Speck should be commended for a job well done!

Ty
